1691

Ireland was torn by injustice and natural disaster. The soldiers and refugees who were forced to set sail on ships for other lands took the name "The Wild Geese", mythical and intrepid birds who always return to their place of birth.

Their remarkable journey into unforgiving lands has largely been unwritten and untold until now.

The Wild Geese blazed a trail across the world, participating and bearing witness to all of history's major events from 1691 to the present day.

Historically charged, their story, memory and courage enrich our lives today, a moving tribute and inspiration to the human spirit.

They looked adversity in the eye and did not flinch.

They remained untamed.

We celebrate their bravery and tell their story with The Wild Geese Whiskey Collection.

"With each new generation, there is a new legacy. Raise your glass, remember them" SM

Sixteen Ninety One

A long, light refreshing cooler with a pale lavender colour. 10ml Elderflower cordial
10ml Cartron Parfait Amour
5ml Sugar syrup
65ml Medium sweet cloudy apple juice

Shake all ingredients except parfait amour with ice and strain over crushed ice, drizzle parfait amour over the top. Garnish with fresh orange zest and serve in a highball or sling glass.

15ml Noilly Prat Rouge
5ml Chambord

The Long Goodbye

Sarsfield Sour

A variation on the whiskey sour. The elderflower and freshly squeezed grapefruit give the drink a floral bite, the peychauds bitters add a hint of sophistication and complexity, while the use of egg white and a hard shake ensure a silken velvety mouthfeel. 10ml Elderflower cordial
15ml Freshly squeezed grapefruit juice
20ml Pasteurised egg white
Dash Peychauds bitters

Quality Statement

Our Collection, made from stocks of superb quality aged Irish whiskey, is produced using our special Extended Double Distillation process.

This process slows the distillation down extending the time taken and thereby producing a cleaner, more enriched and purer distillate.

The resultant richer distillate, is matured in single-use white oak 'Bourbon' casks. This is partly why The Wild Geese Irish Whiskey is a multi award winning whiskey and the only super-premium Irish whiskey collection.
